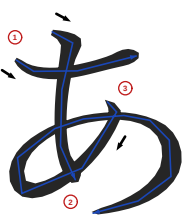
Kana Practice Book

Hiragana · Katakana · Dakuten · Handakuten · Yōon

A handwriting practice book



How this book is organised:

1. Overview tables of all characters with romaji transcription
2. One practice page per character: hiragana on the left, katakana on the right, with numbered arrows showing stroke order & direction, plus fields below for tracing (dark → light) and writing freehand
3. Review pages at the end to refresh all syllables
